## Deeper into Space...

5010's CONSTRUCTION BEGINS

### **This week's progress:**

The CAD team has finished the design of the robot which includes a cascading elevator and a bird-beak intake. Meanwhile Field has done a number of things done like finishing parts for the cargo ship and the rocket, starting up the sub-assembly, having full skeleton of the cargo, and all parts for everything is done. The lift team is assembling the elevator lift for lifting the hatches and cargo. Programming is working on tuning motion vision and motion profiling. The drive train is currently

assembling the practice and competition robots with EVO Shifters 1 & 2. Finally, Fabrication is making all the individual parts for the rest of the teams talked about above.

## Special event at Fishers High School!

### **Represented at the open house**

Next week on the 30th, we will have a booth at an open house at Fishers High School for seventh and eighth graders. Parents will be coming in to see what kind of clubs FHS has to offer, and the FHS Robotics Team will be making a lasting impression of soon-to-be freshmen parents with a robot demonstration and student lead presentations.

**Sponsor Newsletter #1 (1/12/2019): [Tiger Dynasty Issue #1](#)**

### **Donut Judge Me 5K (9/22/2018)**

Thank you to everyone being able to participate in the Donut Judge Me 5K. It was an amazing experience to get closer to the community and share encouragement with the people around us. Everyone that went to the donut station had been excited from the moment they arrived up until every runner had been satisfied with a donut or two. Getting out there with all the runners and meeting them halfway was a blast. We hope that we can do more of these in the future!

## Skipped an issue or want to share with family and friends?

Our newsletters are now available online so that you can stay up to date with team 5010 wherever you are! They will be at our website, [www.tigerdynasty.org](http://www.tigerdynasty.org) under the blog tab in the newsletters section. They will be posted weekly, so make sure to check in regularly!
